DESIGN SERVICES

Why get a Bruceworks Landscape Advisory?

The **BRUCEWORKS** Landscape Advisory Consultation is your chance to get personal advice from our experienced team in your own home. We come to your home to discuss your lifestyle, and lend our expertise to show you how to help your dreams become a reality. From landscape works, decks and pergolas, pools and spas, right through to remodelling your interior including kitchens and bathrooms. **BRUCEWORKS** can advise you on issues such as design style, drainage, sun and shade, windbreaks, creating privacy, construction considerations such as site access, excavations, requirements for government approvals and building certifications. Following your advisory, **BRUCEWORKS** will give you a written quote for the works required to achieve your *lifestyle for life*.

What is special about Bruceworks Design?

BRUCEWORKS Design is an experienced, highly qualified team of professionals that have the skills to design every aspect of your home - inside and out. Working together, our team of architects, landscape architects, kitchen and bathroom designers, interior decorators and pool designers can help bring your dreams to life, whatever they may be. What's more, **BRUCEWORKS** will tailor the design to your budget, and listen to your feedback and make amendments as required. Your **BRUCEWORKS** project will feature state of the art energy efficient appliances and fixtures (such as LED lighting), and we will 'keep it green' with sustainable soils, low-water needs planting and efficient irrigation systems. And because **BRUCEWORKS** is a licenced builder, the design team is actively involved in the project right through to completion.

THE BRUCE 'WORKS'

A detailed and well resolved proposal integrating architectural and landscape design. The design can incorporate kitchens, bathrooms, living spaces and of course indoor/ outdoor flow. The design process and cost is tailored to fit your needs. Our specialised professionals deal with all aspects of the design, so there is just one point of contact, making it easier for you.

Includes detailed architectural drawings as well as detailed landscape plans. Bruceworks are licenced builders, so we can guide your design right through to completion.

Two complimentary sets of changes to client comments.

Ask us for a quote: \$ _____

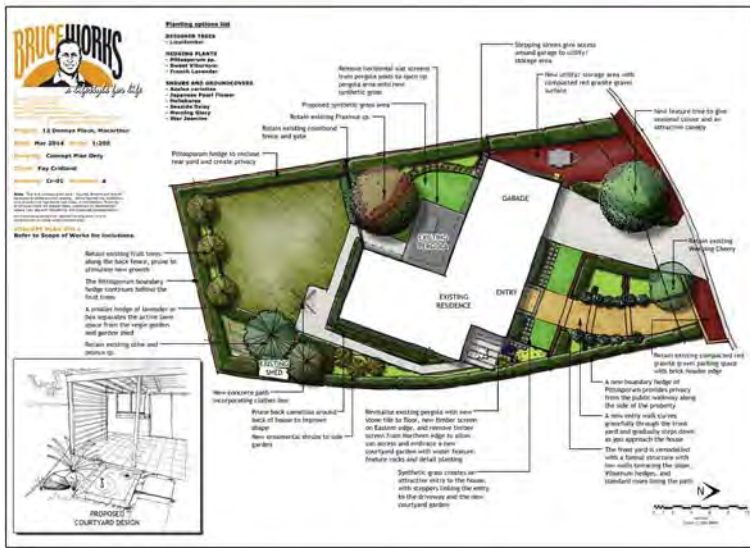

THE 'LIFESTYLE'

A detailed and well resolved design with the accuracy of Computer Aided Design. 5-6 hours resolving design, usually including a site visit; 3-4 hours CAD drawing; 3-4 hours computer rendering. Detailed descriptions of key design ideas and character photos, nomination of materials, detailed planting list with photos. May include 3D computer model of all or part of design at our discretion. One complimentary set of changes to client comments.

Scale 1:200

\$ 1500.00

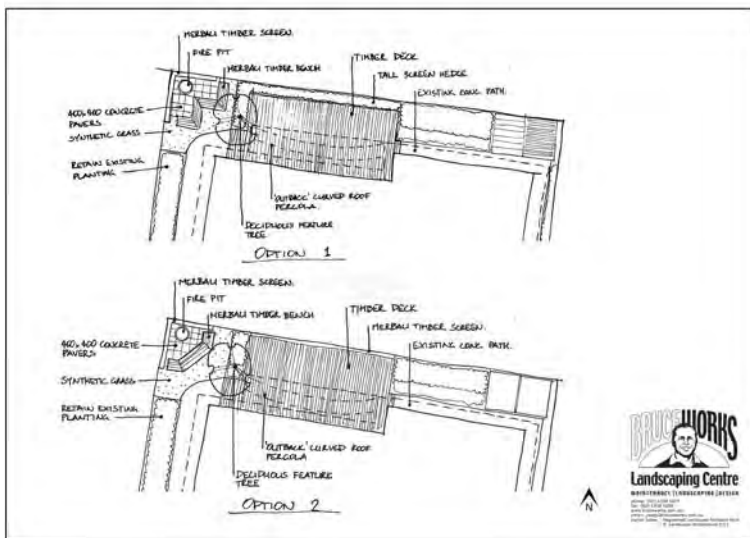

THE 'PURE & SIMPLE'

For larger areas and more complex designs. 3-4 hours resolving design; 2-3 hours drawing; 1 hour colouring. Specific descriptions of key design ideas, materials & planting. One complimentary set of changes to client comments.

Scale 1:200

\$ 1100.00

THE 'QUICK & EASY'

For simple designs and small areas. Useful for exploring simple design options and visualising outcomes. 1-2 hours resolving design; 2-3 hours drawing; Indicative of key design ideas, generic references to materials & planting. One complimentary set of changes to client comments.

Scale 1:100 or 1:200

\$ 880.00
