INSIST ON STEELCHIEF

THE ONLY SHED WITH **baseSMART**

- Eliminate unsightly trapped debris
- Eliminate premature corrosion
- Superior N4 wind rating

Only available in SteelChief sheds.
Protect your long term investment!

BUILT TO AUSTRALIAN STANDARDS
(SPECIFICATION & COMPUTATIONS AVAILABLE)

BASESMART ELIMINATES ALL TRAPPED DEBRIS

0.35mm GAUGE STEEL

LEADING PAINT SYSTEM FORMULATED FOR AUSTRALIAN CONDITIONS

LOCALLY BUILT TO YOUR REQUIREMENTS

WE STRONGLY BELIEVE THAT WE CAN DELIVER YOU A BETTER SHED AT A BETTER PRICE!

WHY CHOOSE US?

THE SteelChief DIFFERENCE

SMALL SHEDS. BIG IDEAS.

STEELCHIEF - GREAT VALUE & GREAT ADVANTAGES!

1. All of our products are locally made in Ballarat to your requirements.
2. SteelChief sheds are a great DIY product - all shed panels are pre-assembled making your installation simple and safe.
3. Select your SteelChief product size and colour then select any of our additional optional extras. Decide on door type and positioning then build your shed exactly the way you want it. Delivery of your product will usually be within two weeks in panel form with rolled safety edges on all sheets ensuring you an excellent finished project with the minimum installation effort.

GUARANTEE

SteelChief guarantees all workmanship of our products. Our current suppliers of pre-painted coloured and zinc sheeting have warranted that their products are resistant to flaking peeling and excessive fade or perforation for 15 years under certain conditions. The warranties are given subject to our suppliers' standard warranty terms which are available from our distributors or our website. We will pass on to our suppliers any material warranty claim but SteelChief will not itself be liable to meet any such claim. SteelChief may without notice change suppliers and/or materials which may alter warranty terms.

IMPORTANT NOTE

- If in doubt about the suitability of a SteelChief product for your site please consult your local civil engineer.
- Prices are current from 1st February 2019. This recommended price list replaces all other SteelChief pricing information and is subject to change without notice.
- All sizes shown are actual external wall dimensions. Roofs will overhang the walls in some directions. All measurements stated by SteelChief are nominal (or approximate) and may vary slightly from product to product. Please advise your distributor of any important dimensional requirements.
- SteelChief products are not watertight. For improved water resistance we recommend a rebated concrete floor or our rebated wooden floor option.

AT STEELCHIEF WE LIKE TO KEEP THINGS SIMPLE WITH EASY DIY

That's why all of our products come in pre-assembled panels so if you are the Do-It-Yourself kind of person upon delivery of your new SteelChief product all you need to do is screw the panels together using a cordless drill. Be sure to attach your product to the ground immediately to ensure no wind damage occurs. Instructions on assembly can be obtained from your nearest distributor or just visit us at www.steelchief.com.au to download a full step-by-step guide.

COLOUR

At SteelChief we let you be as creative with colour as you like. Mix and match any of our 13 colours plus Zinc for walls door roof and windows.

Please note: the colours below and in the example pictures are approximate shades only and should not be used for colour matching. Visit your distributor to view actual colour samples.

Mountain Blue Monolith Slate Grey Heritage Red Caulfield Green Rivergum Mist Green Jasmin Brown Stone Birch Merino Smooth Cream Off White Zinc

WHY UPGRADE TO STEEL FRAME

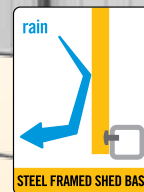

All steel frame sheds are supplied as pre-assembled wall and roof panels

Sheet fixed to frame using Aircraft grade Aluminium rivets as standard to all sheds

PA Doors & Door opening fully welded RHS, with triple heavy duty hinges

Welded heavy duty anchoring brackets

RHS Base frame eliminating the need for Basesmart

Roof bars to sheds over 2.34m gable span

Steel mounting plates for roller door models

Full height portal with hold down brackets for shed over 3.86m in length

Steel frame sheds feature a strong Galvanised 25 x 25mm RHS steel frame, fully MIG welded

ROLLER DOOR STORAGE SHEDS

EASIER ACCESS, BETTER SECURITY, IDEAL FOR LIMITED SPACE, PREMIUM LOOKING.

ROOF COLOURS

At SteelChief we let you be as creative with colour as you like. Select any of our 13 colours for your roof or Zinc.

PINE

STAINED PINE

TIMBER COLOURS

Protect your Cubby from the elements with our staining service. Panels are fully emersed in our stain tank giving the best possible interior and exterior protection. No need for staining of particle board floor. See Cubby details for pricing.

NOTES -

Inground Elevations: Posts are 0.6m longer so they can be dug into the ground and concreted in place. Posts can be trimmed to height to suit uneven ground.
Above Ground Elevations: Includes sandpit boards which form bracing support for posts. No need to dig posts into ground.
General: Playgrounds should be installed on flat stable ground. Allow 2 metres space from solid structures to ensure safe use. 3.5m clearance required in front and behind swings. Cubby verandah or Fort openings need to be filled with options or balustrades if elevated. Suitable under surfacing is required as per Australian Standard AS 4685:2014 recommendations. **Adult supervision and guidance is required for children using these products.**

	Heritage shed	\$75	0.78m	flat roof	\$59
1.52m	gable roof	\$59	1.52m	skillion/flat roof	\$75
2.26m	gable roof	\$59	1.89m	skillion roof	\$85
3.00m	gable roof	\$69	2.26m	skillion roof	\$95
3.74m	gable roof	\$79			

SLIDING WINDOWS:

Available in Mist Green Smooth Cream
Slate Grey Merino Jasmin Brown
Monolith and Zinc. (Other colours
available by arrangement additional
costs apply). Glass with aluminium trim
900mm W x 900mm H.
Fitted in front or back wall \$329 each.
Fitted to gable or skillion end \$395 each.

TEE HANDLE:

Standard sheds have a pad bolt(s)
To replace a pad bolt with a Tee Handle
(2 keys supplied) \$65

LOCKING HASP AND STAPLE:

2 Keys supplied suits sliding
door option \$49

TEMPORARY ANCHORS:

This option should only be used in wind
protected sites use a minimum of 2
star pickets per panel or 3 pickets for
3.74m panels. Drive star picket (650mm)
into ground and anchor shed through
Basesmart with a self drilling or tapping
screw. This is not N4 rated.
This is a DIY friendly option.
Short Star Pickets with Self Drilling Screws
450mm \$5.00ea
600mm \$9.00ea

LOUVER WINDOWS FITTED IN:

	Zinc	Colour
Front or back	\$125	\$155
Gable end	\$135	\$169
Skillion end	\$135	\$169
Five blade glass lockable louvre windows. 715mm x 510mm		

EXTRA WALL HEIGHT COST:

To increase standard wall heights add
percentage shown to base shed price.

Wall +150mm	Zinc	Colour
Standard construction	12%	12%
Steel frame construction	10%	10%
Wall +300mm		
Standard construction	20%	20%
Steel frame construction	16%	16%
Wall +600mm		
Steel frame construction	22%	22%

SHOVEL/BROOM RACK:

Hooks over wall
300mm arms \$49

CUSTOM SHED SIZING:

Add percentage shown to base shed
price of next larger standard shed.
Standard construction 15%.
Steel frame construction 18%.

DIY WOODEN FLOORING SYSTEM - CHEAPER & EASIER THAN REBATED CONCRETE!

This flooring system is simple fast great value and easy to relocate. A rebated wooden
floor offers excellent water seal at the base of the shed and strong attachment to the ground.

	Side/Gable	0.78	1.52	2.26	3.00	3.74
Front	0.78	\$79	\$135	\$185	\$249	\$299
	1.52	\$125	\$219	\$309	\$419	\$525
	2.26	\$135	\$285	\$419	\$579	\$699
	3.00	\$189	\$375	\$549	\$725	
	3.33 (maxi shed)				\$909	
	3.74	\$229	\$459	\$669		

Whilst the wooden floors are simple and effective we do not have engineering
specifications and computations for them and as such they are not suitable for
cases where a permit is required.

Supplied as pre cut sheets of 19mm particle board flooring and 70 x 45mm treated
pine bearers cut to length. Simply lay bearers onto the prepared (flat) site and screw
or nail down flooring. Erect shed onto bearers so floor is rebated inside your shed.
Then attach your shed to bearers through the Basesmart.
